Dear Pete

A big thank for your help  
in today's training, if only I  
had known about your  
puppy classes, then I would  
not have encountered the  
problems I did due to my  
previous trainers methods  
at last Pete I am going  
forward and enjoy it,  
you have so much  
experience Pete, its great  
that you are so passionate

about what you teach  
and that you share  
it with people like  
me that need that  
help

Thanks again

Carol + Coxy
