Dear Pete,

On Behalf of all of us at The Chilterns Dog rescue Society, Sara, Celia and myself would like to express our sincere thanks to you for taking Bosun under your wing for two weeks and subsequently finding him a potential new home. (He has been taken on trial for a four-week period to start with).

He left kennels to start his new life on Wednesday and we have heard nothing so far – which in our books is good news!

Bosun really seemed to enjoy the attention and stimulation given whilst with you, and hopefully through this he has learned to be more sociable with other dogs.

Please be advised that your leaflet is now available to potential and new dog owners here at Hog Lane and we will be in contact with you should we require your help with any other rescue dog in our care.

Yours sincerely,

Lin Parkinson  
Assistant Manager
