Dear Pete

First may I take this oppurtunit6y to thank you for your time and efforts in training Honey, I appreciate we still have a long way to go but I do feel we are making headway.

Secondly, we are on the move to sunny Suffolk, so our training sessions sadly have to end.

If you and your wife are still interested in attending the last BTCC race at Donnington give me a call and I'll get some tickets organised.

Once again, many thanks and yes, we will keep up the training!!!!!!!!!!

Best regards

Richards & Denise West
